[Verse 1]

I know something exciting is happening
I am gonna shit someone
It maybe the biggest midget in the world
It maybe the biggest quer in the world
but whatever it is you are gonna give them an 8-baller
You might stick your cock up the clock
and you might be an ass-jabber
but whatever you are, you are gonna give them an 8-baller
You may have got nudged by an assucker
and you may have got dodged by an axwound
but whatever you gotten, you are gonna give them an 8-baller
What a load of bollocks, you are such a beaner and a motherfucker
a person might bumblefuck you someday and we might go out together
but before you do, you have to give them an 8-baller
You have a clitface I said and you have a big penis
it doesn't matter what you have, you're gonna give them an 8-baller
Someday you might turn into a cockmuncher, but for the moment focus on giving them an 8-baller

[Chorus]

The 1st thing is I am gonna become gay...
The 2nd thing is I am gonna win the love of my teen school crush...
The 3rd thing is I am gonna become so sound this world wants me
The 4th thing is I am gonna give the motherfuckers an 8-baller
an 8-baller
an 8-baller
an 8-baller

[Verse 2]

I maybe a cuntlicker
but whatever it takes, I will give someone an 8-baller
You may stick in your head into my dick

but whatever it takes, I will give someone an 8-baller
Some people may call you a fatass and a faggot
but whatever it takes, I will give someone an 8-baller
Scream so loud, getting fuckin' laid
but whatever it takes, I will give someone an 8-baller
You're crazy bitch, but you fuck so good, I'm on top of it
but whatever it takes, I will give someone an 8-baller
But I like the way you fuck me
but whatever it takes, I will give someone an 8-baller
I can't stand a bitch so I don't treat and I don't need
'em
but whatever it takes, I will give someone an 8-baller
They want a niggaz cunt, so I just fuck 'em like I hate
'em
but whatever it takes, I will give someone an 8-baller
Hoes wanna oppose, like they know me or they knew
me
but whatever it takes, I will give someone an 8-baller

[Chorus]

The 1st thing is I am gonna become gay...
The 2nd thing is I am gonna win the love of my teen
school crush...
The 3rd thing is I am gonna become so sound this
world wants me
The 4th thing is I am gonna give the motherfuckers an
8-baller
an 8-baller
an 8-baller
an 8-baller

[Verse 3]

Cause I'm too fly to say hello HA HA
See you later, long good-BYE
Bitch yo, what you want pa
[A:] But you bitches look so good
But it don't mean no give a fuck
If there's one less bitches out the neighbourhood
Because I never did respect 'em
You know you could never give a
Kool G. Rap a swift kick in the rectum
Check 'em, develop a chick is a pig
Because mad niggaz bitches
They put they lips around a nigga dick (Come on
niggaz)
Did they tell me how my dick is so much bigger (Yeah)
Swallow my nut if they forgot to call me Mister Nigga
(Ah)

[Chorus]

The 1st thing is I am gonna become gay...

The 2nd thing is I am gonna win the love of my teen
school crush...
The 3rd thing is I am gonna become so sound this
world wants me
The 4th thing is I am gonna give the motherfuckers an
8-baller
an 8-baller
an 8-baller
an 8-baller
