There must be some kind of way out of here  
Said the joker to the thief, yeah  
There's too much confusion  
Mmm I can't get no relief

[Verse 1]

Imagine me imagine you  
Imagine kids possibly two  
Maybe three, imagine you and I loungin in the tropics  
Bounded by clever topics but never discussin my profits  
Imagine, the tone of my voice making you moist,  
How you feel about that,  
Ain't no doubt about that,  
These things could be real things  
According to, how you, feel about you and I hear me out now  
I ain't your average  
But indeed about my cabbages  
Let's keep it simple, you with me our what?  
I mean is ya feeling me?  
Are you hearing me?  
Whats the point in talkin if you don't listen  
Water, I shine, I'm glistening  
But I'm missing a lady like you, someone to hold me down  
Trust me you ain't had nobody like me,  
They can't touch me, you ain't had none of that so imagine that.

[Chorus]

We're all along the watchtower  
Says the captain of you  
I can't imagine what can go wrong  
I'll do what he says  
I threw it all away  
We're all along the watchtower now

[Verse 2]

Yo shorty you don't want no drama with me  
Its heavy and these chicks is steadily fondling me

Diggie shot callin,  
And I'm so tired of ballin  
But I've been doing that these kids is new to that  
Come inside my crib all you see is platinum plaques  
Keep the gold ones in the back cause I'm ashamed of  
that  
Now I lounge in the sticks dime piece on my hip  
And I've been doing that since big stuff in eighty six  
Something about you really turned me on and i can't  
figure you out  
Cause everyday I'm thinking about diggin you out,  
whats that about?  
I got visions of turning you out  
Now I ain't like mike I'm simply just dwight arington  
myers  
Got a grip like pliers keep my name of the wires cause  
my crew is high flyers  
And I got more ice and more cream than bryers you  
wanna try us?

[Chorus]

We're all along the watchtower  
Says the captain of you  
I can't imagine what can go wrong  
I'll do what he says  
I threw it all away  
We're all along the watchtower now

[Verse 3]

Have you ever been treated correctly huh?  
You should be glad you connected with d, baby you  
ready?  
Imagine this hennesy, coat back, drop top,  
You and me, one on one buckwildin non-stop  
Flourish you with jew-ell rings real-ly  
If you tell me that you do love me sincerely  
Take the american express and go shopping  
Put your coochie in gucci cause we ball in the night  
Call your girls tell them that your flowing with water  
And it's sickening cause this tricking is really out of  
order  
I'll make you fingers glimmer, ill make your entire attire  
better  
All up in ya liver, make your body quiver  
Heav digga damn that, gon be the same nigga you  
understand that?  
My main intent, is to pay your rent  
And Imma keep you satisfied, until the day I die alright

[Chorus]

We're all along the watchtower

Says the captain of you  
I can't imagine what can go wrong  
I'll do what he says  
I threw it all away  
We're all along the watchtower now
