[Sryan]

Treat me like a fool,
Treat me mean and cruel,
Wring my faithful heart,
Tear it all apart,
If you ever go,
Darling, I'll be oh so lonely
I'll be sad and blue,
Crying over you, dear only
I would beg and steal
Just to feel your heart
Beatin' so close to mine

[Chorus]

Is there life
Without any fear
I need more
Than just what I want to hear
But I won't be afraid of the dark
If you love me
Always thinking of me
I know I must be blind
You better love me
You better love me
Better love me
Better love me

[The Saturdays]

In my dreams
When all of the flowers die
A little girl but she doesn't need to cry
If my dream doesn't last through the night
You know I'm good
I'll never behave
In the storm
I ride every wave
And I won't even look to the shore

[Chorus]

Is there life
Without any fear

I need more
Than just what I want to hear
But I won't be afraid of the dark
If you love me
Always thinking of me
I know I must be blind
You better love me
You better love me
Better love me
Better love me

[The Saturdays]
I read a note my grandma wrote back in nineteen
twenty-three.
Grandpa kept it in his coat, and he showed it once to
me. He said,
"Boy, you might not understand, but a long, long time
ago,
Grandma's daddy didn't like me none, but I loved your
Grandma so."

[Chorus]
Is there life
Without any fear
I need more
Than just what I want to hear
But I won't be afraid of the dark
If you love me
Always thinking of me
I know I must be blind
You better love me
You better love me
Better love me
Better love me
