Clean the floor with the brush
Clean the floor with the brush

[Verse 1]

Whappen sugar pie sweetie come brush me
Me love the style where ya bring it come touch me
Gi you anything ah fill ya life full of luxury
Just clean the floor with the brushes

In the stare, So in between
I'm feelin bold, I'm in a dream
I am a mess, I am no god
Just clean the floor with the brushes

When the words get in the way
The ones that hurt, the ones that she said
So I give in to live the beat
I'm givin in to the rhythm of my feet

[Chorus]

So clean the floor tonight, the lights are haze
Just clean the floor with the brushes
And all the smog, I'm in a daze
Just clean the floor with the brushes

Clean the floor with the brush
Clean the floor with the brush
Clean the floor with the brush
Just clean the floor with the brushes

Clean the floor with the brush
Clean the floor with the brush
Clean the floor with the brush
Just clean the floor with the brushes

[Verse 2]

I could use some time to curl away
My aggression is where you stake your claim
Why I question this curve on which you grade
My conception, a joke or latest craze?

In the stare, So in between
I'm feelin bold, I'm in a dream
I am a mess, I am no god
Just clean the floor with the brushes

So I give in to live the beat
I'm givin in to the rhythm of my feet

[Chorus]

So clean the floor tonight, the lights are haze
Just clean the floor with the brushes
And all the smog, I'm in a daze
Just clean the floor with the brushes

Clean the floor with the brush
Clean the floor with the brush
Clean the floor with the brush
Just clean the floor with the brushes

Clean the floor with the brush
Clean the floor with the brush
Clean the floor with the brush
Just clean the floor with the brushes

[Chorus 2]

Clean the floor with the brush
Clean the floor with the brush
Clean the floor with the brush

So clean the floor tonight, the lights are haze
Just clean the floor with the brushes
And all the smog, I'm in a daze
Just clean the floor with the brushes

Clean the floor with the brush
Clean the floor with the brush
Clean the floor with the brush
Oh, yeah
Clean the floor with the brush
Clean the floor with the brush
Clean the floor with the brush
Clean the floor with the brush
