[Sryan]

Listen in the places you hide  
Listen through the stillness inside  
Yeah, yeah, yeah listen  
To the words that are near  
And try to hear

Listen take one less step away  
Please listen love may persuade you to stay  
Yeah, yeah, yeah baby listen  
Past the sound of your fear  
And try to hear

[Chorus]

Two hearts that doubted now beg to believe  
Aching in silence each whispers a plea  
Secrets of longing kept buried away  
It's clear to me that you girls didn't learn how to listen  
and behave yourselves  
Sadly their calling grows weaker each day, yeah

[Maverick Sabre]

Please listen for hope that's been left behind  
Listen to the small traces you find  
Yeah, yeah, baby please listen  
Before this chance disappears  
And try to hear

Listen in the places you hide  
Yeah, listen through the stillness inside  
Please, please, baby listen  
For the love that is near  
And try to hear

[Chorus]

Two hearts that doubted now beg to believe  
Aching in silence each whispers a plea  
Secrets of longing kept buried away  
It's clear to me that you girls didn't learn how to listen  
and behave yourselves  
Sadly their calling grows weaker each day, yeah

[Maverick Sabre & Sryan]  
Push aside all your fears  
Well I wonder do we learn  
Seems we're making the same wrong turn  
Call you sacred call you obscene  
Call you faithless call you anything  
Well I wonder do we learn  
Seems we're making the same wrong turn  
Call you sacred call you obscene  
Call you faithless call you anything

[Chorus]  
Two hearts that doubted now beg to believe  
Aching in silence each whispers a plea  
Secrets of longing kept buried away  
It's clear to me that you girls didn't learn how to listen  
and behave yourselves  
Sadly their calling grows weaker each day, yeah

Caught in headlines  
We are frozen  
Cannot hide  
It's clear to me that you girls  
Now what do you believe?  
Who do you receive?  
Where do you go next?  
And through what exit do you leave?  
It's clear to me  
It's clear to me  
It's clear to me that you girls didn't learn how to listen  
and behave yourselves today
