[Justin Timberlake]

It's a long and lonely highway.  
When you're traveling all alone.  
I was on my way to nowhere.  
But now I'm coming home.  
I'm coming home.  
I've been running through the fire.  
I've been running for so long.  
If I took it any higher.  
Baby I would be still be gone.

[Chorus]

And now I'm coming home,  
Coming home.  
I'm coming home.  
I'm coming home, coming home  
Coming home.

[Justin Timberlake]

Well my home was really never.  
On a far and distant shore.  
If I stayed away forever.  
I could never miss you more.  
I think of all these years gone by.  
Never even wondered why.  
I never touched the ground.  
All the time that's come and gone.  
All the nights I've been alone.  
And now I'm homeward bound.

[Chorus]

And now I'm coming home,  
Coming home.  
I'm coming home.  
I'm coming home, coming home  
Coming home.

[Justin Timberlake]

I heard the thunder over Canaan.  
And I heard the angels cry.  
And their voices came revealing

As you live, so will you die.  
Well hello, it's been a long time  
And I wanna know  
What's been going down  
Since I been gone  
Yes, I know, I know she loves me  
And she wore it so

[Chorus]  
And now I'm coming home,  
Coming home.  
I'm coming home.  
I'm coming home, coming home  
Coming home.
