[Verse 1]

Remember what its like to me you?
To be you
Remember what its like to be me?
To be me
All that I see these eyes in my dreams
These thought police coming for me

[Chorus]

Don't you just know it?
What it means to be free
Don't you just know it?
To be free? (me)
Neither do I
Neither do we

Don't you just know it?
Don't you just know it?
Don't you just know it?
Don't you just know it?

[Beat]

[Verse 2]

Do you know what its like to be one
One of us
Do you know what its like to be one
One of us
One is the family perfect in apathy
Being a clone isn't all that it promised to be

[Chorus]

Don't you just know it?
What it means to be free
Don't you just know it?
To be free? (me)
Neither do I
Neither do we

Don't you just know it?
Don't you just know it?

Don't you just know it?
Don't you just know it?

[Beat]

Don't you just know it?
Don't you just know it?
Don't you just know it?
Don't you just know it?
