[Sryan]

Heaven help the child who never had a home  
Heaven help the girl who walks the streets alone  
Heaven help the roses if the bombs begin to fall  
Heaven help us all  
Heaven help the black man if he struggles one more  
day  
Heaven help the white man if he turns his back away  
Heaven help the people with their backs against the  
wall  
Angels sing trumpets loud like I'm in heaven like I'm in  
heaven  
It's like I died and wind up there  
My God you found me answered my prayers  
I ain't never leaving home cause I'm in heaven

[Chorus]

Heaven help us all  
Heaven help us all, Heaven help us all,  
Heaven help us, Lord, hear our call when we call,  
heaven help us all  
So whatever happens don't you worry child  
Perfect that I got my life together I made it in  
Cause being here so much better than where I'm in  
Enjoying these streets of gold so perfect and it won't  
get old  
So glad that I could stay forever don't ever left the  
scene  
So whatever happens don't you worry child

[Dylan Pringals Doherty]

Heaven help the boy who won't reach twenty-one  
Heaven help the man who gave that boy a gun  
Heaven help the man who kicks the man who has to  
crawl  
Now I lay me down before I go to sleep  
In this troubled world, I pray the Lord to keep,  
Keep hatred from the mighty, and the mighty from the  
small  
I don't ever wanna go back cause back seems so far  
far

It's nothing like my secret place girl that's what you are  
Patiently awaiting at the gate till you call my name  
Cause every time that I came in I'm thinking a way  
Every time we get it on feels like heaven

[Chorus]

Heaven help us all  
Heaven help us all, Heaven help us all,  
Heaven help us, Lord, hear our call when we call,  
heaven help us all  
So whatever happens don't you worry child  
Perfect that I got my life together I made it in  
Cause being here so much better than where I'm in  
Enjoying these streets of gold so perfect and it won't  
get old  
So glad that I could stay forever don't ever left the  
scene  
So whatever happens don't you worry child

[Pre-chorus]

Don't you worry, don't you worry child  
Don't you worry, don't you worry child  
Every time we get it on feels like heaven every time we  
get it on  
Angels sing trumpets loud like I'm in heaven  
Don't you worry, don't you worry now, yeah

Don't you worry, don't you worry child  
Don't you worry, don't you worry child  
Every time we get it on feels like heaven every time we  
get it on  
Angels sing trumpets loud like I'm in heaven  
Don't you worry, don't you worry now, yeah
