[One Direction]

Just copped a Bently and it's parked in my garage  
A two o'clock appointment for my massage  
And everywhere we go they know just who we are  
There they go it's them ghetto superstars  
The latest throw backs and the ones on my feet  
Get off the Benz and them I'm off up in the Jeep  
I love all these super models, they're all so pretty  
But which is the right one for me.....

[Chorus]

Sorry, I know I'm not supposed to say this  
But I see you girl up in the club, talking with her  
boyfriend, think I'm in love  
He looking at me, I'm looking right back, but I'm  
looking past him, she looking right back  
I need a girlfriend  
Like she wanna get freaky with 1D, I'm off the patron so  
I'm like "okay"  
Plus she rocking him fresh Sryan that I like, walk like I  
like, talk like I like  
I need a girlfriend

[One Direction]

Take ya fix with chicks that look like Alicia Keys  
All of that I'm still missin' one thing  
We hit the mall buyin' up all the Nike suits  
I'm being pampered while I'm chilling by the pool  
From the show to the limo to the club  
Hands in the air showin' nothin' but some love  
Got plenty clothes, plenty ice plenty cash  
Now I found someone who is perfect for me

[Chorus]

Sorry, I know I'm not supposed to say this  
But I see you girl up in the club, talking with her  
boyfriend, think I'm in love  
He looking at me, I'm looking right back, but I'm  
looking past him, she looking right back

I need a girlfriend  
Like she wanna get freaky with 1D, I'm off the patron so  
I'm like "okay"  
Plus she rocking him fresh Sryan that I like, walk like I  
like, talk like I like  
I need a girlfriend

You look groovy babe  
You seem exstatic babe  
You can marry me babe  
You look pretty babe  
You seem hyperactive babe
