[Sryan]

Oh girl I truly love you so much
You are so beautiful
You broke my heart
They go for you
With their love and fear
They go being
And never disappear
If you rub yourself for long enough
You get down to their kind of emotion
Straight to your heart
Sweet doll
Straight to your heart

[Chorus]

Gotta love and forgive
Or you can't breathe
Gotta search and be with
Or you can't breathe
I got something to give
Before I leave
I can never run back
I'm smothered in
Memories, and you are too
What is given back
We can't unglue
All this sticks to me
Some days sweet like honey
Some days tart like marmite
Sticks to your heart
Sweet doll
Straight to your heart

[Ed Sheeran]

The croft, the croft
Old lofts and searching
The path, the path
Of always searching
All from the heart
All from the need
All from the love

Right from the, right from the heart
Old from the need
Old from the love
Old from the greed
Hey girls (yeah)

[Chorus]

Gotta love and forgive
Or you can't breathe
Gotta search and be with
Or you can't breathe
I got something to give
Before I leave
I can never run back
I'm smothered in
Memories, and you are too
What is given back
We can't unglue
All this sticks to me
Some days sweet like honey
Some days tart like marmite
Sticks to your heart
Sweet doll
Straight to your heart

[Outro]

Girls we are about to make some memories
Meeting everyone of our lovers
I truly love you girl and you

[Chorus]

Gotta love and forgive
Or you can't breathe
Gotta search and be with
Or you can't breathe
I got something to give
Before I leave
I can never run back
I'm smothered in
Memories, and you are too
What is given back
We can't unglue
All this sticks to me
Some days sweet like honey
Some days tart like marmite
Sticks to your heart
Sweet doll
Straight to your heart
Sticks to your heart
Sweet doll
Straight to your heart
