[Verse 1]

Yeah, you can be pretty  
You can be handsome  
You can be the girl that breaks a boy's heart

You could beat the boy's attention  
You could beat his personality  
You could ask him to be your boyfriend

You can break a heart  
You can rule their mind (yay)  
You can go out with him  
You can marry him  
You can be stunning  
I know you can  
We can go out when you're

Standing in the hall of sexy (yep)  
And the world's gonna love ya (yep)  
Cause you are so stunning (yep)  
And the world's gonna love ya (yep)  
And you'll be on the walls of the hall of sexy

You could go anywhere  
You could dump your crush  
You could go up to the boy and say you're going to  
push (me)

You could be the lover  
You could get the reward of a lifetime  
Breaking everybody's heart in this planet we call Earth

Yeah, do it for your money  
Do it for your occupation  
How you do you know they love you?

Do it for your game  
Do it for your name  
Cause there's gonna be a minute

When you're standing in the hall of sexy (yep)

And the world's gonna love ya (yep)  
Cause you are so stunning (yep)  
And the world's gonna love ya (yep)  
And you'll be on the walls of the hall of sexy

Be sexy, be sexy, be sexy, be sexy  
On the walls of the hall of sexy

Be lovers  
Be workers  
Be doctors  
Be creepers  
(No way, no)

Be freaks  
Be masters  
Be lesbians  
Be gaybos  
Be sickos

Be lovers  
Be workers  
Be doctors  
Be creepers  
(Creepers, no way)

Be freaks  
Be masters  
Be lesbians  
Be gaybos

When you're standing in the hall of sexy (yep, yep, yep)  
And the world's gonna love ya (yep, yep, yep)  
Cause you are so stunning (yep, yep, yep)  
And the world's gonna love ya (yep, yep, yep)  
And you'll be on the walls of the hall of sexy

(You can be sexy)  
You can be pretty  
(You can be sexy)  
You can be handsome  
(You can be sexy)  
You can be the girl that breaks a boy's heart
