Yeah, you can be the master  
You can be the singer  
You can be the boy that saved the school

You could beat the bully  
You could beat the choir  
You could talk to the teacher, go knocking on her door

You can score a goal  
You can work hard (yeah)  
You can tell the teacher  
You can win the match  
You can be a champion  
No need for this  
I can see you in the morning when you go to school

Standing in the hall of school (oh yeah)  
And the school's gonna know your name (oh yeah)  
Cause you can win everything (oh yeah)  
And the school's gonna know your name (oh yeah)  
And you'll be on the walls of the hall of school

You could go to Croke Park  
You could run up the pitch  
You could go up to the teacher and scream like a nasty  
bitch

You could be the principal  
You could get the rewards  
Breaking all the schools records that thought never  
could be broke

Yeah, do it for your school  
Do it for your family  
How you ever gonna know if you don't even do it?

Do it for your county  
Do it for your town  
Cause there's gonna be a year

When you're standing in the hall of school (oh yeah)

And the school's gonna know your name (oh yeah)  
Cause you can win everything (oh yeah)  
And the school's gonna know your name (oh yeah)  
And you'll be on the walls of the hall of school

Be a hero, be a hero, be a hero, be a hero  
On the walls of the hall of school

Be students  
Be teachers  
Be principals  
Be bosses  
(Yeah yeah)

Be athletes  
Be gamers  
Be kickers  
Be runners  
Be singers

Be students  
Be teachers  
Be principals  
Be bosses  
(Bosses)

Be athletes  
Be gamers  
Be kickers  
Be runners

When you're standing in the hall of school (oh yeah  
yeah yeah)  
And the school's gonna know your name (oh yeah yeah  
yeah)  
Cause you can win everything (oh yeah yeah yeah)  
And the school's gonna know your name (oh yeah yeah  
yeah)  
And you'll be on the walls of the hall of school

(You can be a hero)

You can be the singer

You can be the boy that saved the school
