Baby in the ripper see me on them 4s tvs I suppose
lookin for these hoes. bitches know the deal when
they see me swing them doors tell em they ain't even
got to take off no clothes. when you see me in
that old school swervin prolly cause yo baby mama in
my lap slerpig. hit the freeway goin 77 south
thick light skinned dime setting off the mouth. take
your time speed it up really don't matter at all long as
the baby batter splatter in ya jaws. let it shoot from the
window to the wall. my knees week I try to stand
up and I fall. now it's my niggas turn he got next don't
expect a dollar we ain't writting no checks. I
don't wanna feel your teeth this ain't the chewin two
niggas and one girl what was ya'll doin.

Ay lil mama got a ass so fat my nigga like damn look at
that look at that. yea I set the school but I don't
even wanna stroke her cause when she lick my nuts it's
like I'm on a rollar coaster. dear mrs. thick lips I'm

the big blow the juices of the tip if you give it a good lick. I know you don't want nobody thinking your a trick but the windows on the cutty tinted I ain't sayin shit. me you and my crew can go somewhere private so you can salive it but you ain't gotta hide it. the whole hood know that you a go liver so go head and dive in my thighs like godiva. gave shawty a ride but she ain't have no gas money. she said chip I'm broke but you can get some ass from me. I gotta better idea I said as I reclined my seat. I had her quick weave bouncin to the beat like

Ay girl I'm swang nine and I ain't talkin about a nine but my dick is brain food good for your mind. oh you smoke that's fine atleast I know now she goin down down down for a dime. how rude of me it's the f-a-t pull up on threes candy green armani seats but that's only half you ain't seen shit yet. pull up fresh checks off the marquee jets. plus I gotta about a pound of diamonds on my neck. pull up in a lex my pockets to cash a check. don't mind me cappins a natural reflex. you won't reject cause I'm me and

that's that. I ain't askin for much just a little jaw. not
tryin to hit your walls just wanna hear you gaw.
you make it hard for me to control myself. just thinking
about your barin makes me hold myself. she be
like
