[Sryan]

We've been slaves to this love
From the moment we touched
And keep begging for more
There was a time
When I could breath my life in you
One by one
Your pale fingers started to move
And I touched your face
And all life was erased
You smiled like an angel
Fallen from grace

[Chorus]

I remember years ago
The son of God was born
And he kept telling everyone
He was the son of God
Some people believed him
Some people did not
Oh Lord Jesus Christ we pray to you
On that one Easter Sunday the Romans
Put Jesus on a cross and they gave him wine
When it was three o'clock in the morning they gave him
wine with a rock
Then he died and one Roman realised he was the son
of God
Jesus' resurrection happened on that one Easter
Suuuuuuuuuuunday

[Alexandra Burke]

I've been drowned out by the rain
Still I'm wishing I could stay
But I'm sorry, my old friend
You kissed my lips
With those once cold fingertips
You reached out for me
And oh how you missed
You touched my face
And all life was erased
You smiled like an angel

Fallen from grace

[Chorus]

I remember years ago
The son of God was born
And he kept telling everyone
He was the son of God
Some people believed him
Some people did not
Oh Lord Jesus Christ we pray to you

[Sryan]

I've got to leave you once again
And despite what I might say
Measure pleasure by the pain
Measure pleasure by the twisting
Of the metal in the vein
And it might be very hard
Can't be more than what we are
Can't be more till it's over

Jesus' resurrection (Jesus' resurrection)
Jesus' resurrection (Jesus' resurrection)
Jesus' resurrection (Jesus' resurrection)
Jesus' resurrection (Jesus' resurrection)

[Chorus]

I remember years ago

And he kept telling everyone
