[Verse 1]

Here in your presence
I am not afraid of brokenness
To wash your feet with humble tears
I would be poured out till nothing's left
Here before your alter
I am letting go of all I've held
Of every motive, every burden
Everything that's of myself
I think you're hot

And I just wanna wait on you, my God
I just wanna dwell on who you are

[Chorus]

We're looking for Kasey the charm
We are looking for Kasey the charm
Oh, I am lost for more to say
Oh, Lord you're beautiful for me
We are looking for Kasey the charm
What if you were not just for show?
What if you were not good to go?
We are looking for Kasey the charm

[Verse 2]

The time is right
I'm gonna pack my bags
And take that journey down the road
Cause over the mountain I see the bright sun shining
And I want to live inside the glow
Yeah
I wanna go to place where I am nothing and everything
That exists between here and nowhere

And I just wanna wait on you, my God
I just wanna dwell on who you are

[Chorus]

We're looking for Kasey the charm
We are looking for Kasey the charm
Oh, I am lost for more to say

Oh, Lord you're beautiful for me
We are looking for Kasey the charm
What if you were not just for show?
What if you were not good to go?
We are looking for Kasey the charm

[Taylor Swift]

Please understand that it's not that I don't care
But right know these walls are closing in on me
I love you more than I love life itself
I wanna go to a place where I am suspended in ecstasy
Some where between dark and light
Where wrong becomes right
I need a hot boyfriend
I need a hot girlfriend
There they are right over there
Kasey, don't you wanna go out with me?

I am letting go of all I've held
Of every motive, every burden
Everything that's of myself

And I just wanna wait on you, my God
I just wanna dwell on who you are

[Chorus]

We're looking for Kasey the charm
We are looking for Kasey the charm
Oh, I am lost for more to say
Oh, Lord you're beautiful for me
We are looking for Kasey the charm
What if you were not just for show?
What if you were not good to go?
We are looking for Kasey the charm

She is beautiful [X3]
She is a charm [X3]
We are looking for Kasey the charm
