[Verse 1]

This is how I show my love
I made it in my mind because
I love to go in the river
This is how you do it

This is how an angel dies
I blame it on my own sick pride
Maybe I should cry for help
Maybe I should kill myself (myself)

Maybe I'm a different breed
Maybe I'm not listening
Once upon a time we had a lot to fight for
We had a dream, we had a plan

[Chorus]

Sparks in the air, we spread a lot of envy
Didn't have to care once upon a time
I love to go kayaking
I went hijacking
Remember when I swore
My love is never ending
And you and I will never die
Remember when I swore
I love to go kayaking
I went hijacking

[Verse 2]

I'll sail away, it's time to leave
Rainy days, are yours to keep
Fade away, the night is calling my name
You will stay, I'll sail away

Once upon a time we used to burn candles
We had a place to call a home
The dream that we lived
Was better than divine

Maybe I'm a different breed
Maybe I'm not listening

Once upon a time we had a lot to fight for
We had a dream, we had a plan

[Chorus]

Sparks in the air, we spread a lot of envy
Didn't have to care once upon a time
I love to go kayaking
I went hijacking
Remember when I swore
My love is never ending
And you and I will never die
Remember when I swore
I love to go kayaking
I went hijacking

[Intro]

Edge of the water
South of the border
It takes me to higher ground
Lost in the weekend
Ain't it funny how the sea can
Make you feel found

Sparks in the air, we spread a lot of envy
Didn't have to care once upon a time
I love to go kayaking

[Chorus]

Sparks in the air, we spread a lot of envy
Didn't have to care once upon a time
I love to go kayaking
I went hijacking
Remember when I swore
My love is never ending
And you and I will never die
Remember when I swore
I love to go kayaking
I went hijacking

[Outro]

Edge of the water
South of the border
It takes me to higher ground
Lost in the weekend
Ain't it funny how the sea can
Make you feel found

I love to go kayaking
