[Dylan Pringals Doherty]

Don't start looking like a fool

Yeah I know you were such a fool

Now I am wearing, Now I am wearing, Now I am
wearing knickers

[Sryan]

Now let's see what happens until the end of time

Now I am wearing, Now I am wearing, Now I am
wearing knickers

[Sryan]

Can somebody tell me now who is this terrorist

Those girls that smile kindly then rip your life to
pieces?

Can somebody tell me now am I alone with this?

This little pill in my hand and with this secret kiss

Am I alone in this...

Now I am wearing, Now I am wearing knickers

A matter of complication, when you become a twist

For their latest drink, as they're transitioning

Shame shame time to leave me now

Shame shame you've had your fun

Shame shame for letting me think that I would be the
one

Now I am wearing, Now I am wearing knickers

[Sryan]

I am having a great sexual time, time, time, time, time,
time, time

I am having a great sexual time, time, time, time, time,
time, time

[Dylan Pringals Doherty]

Don't start looking like a fool
