[Verse 1]

Who am I supposed to be
and what do I believe?
Can you tell me
Since you've made up your mind
Who knows what you believe
And I just don't know
Oh I just don't know
Who I'm supposed to be

[Little Beat]

[Chorus]

And if you look at me now
You would get the feeling that you never felt before
And if you stare at him now
Am I the image of your hopes and tragedies?
Will I ever be more than just a memory?

[Verse 2]

'Cause you just don't know
All I am is me
Everybody looks at me
Like they're so surprised that I can breathe

[Little Beat]

[Chorus]

And if you look at me now
You would get the feeling that you never felt before
And if you stare at him now
Am I the image of your hopes and tragedies?
Will I ever be more than just a memory?

[Verse 3]

And all my lack of style, I blame on him
And all I want is this...
I need to have my time
But I'm glued to the script

[Little Beat]

[Chorus]

And if you look at me now

You would get the feeling that you never felt before

And if you stare at him now

Am I the image of your hopes and tragedies?

Will I ever be more than just a memory?
