We those pros, we never procrastinate (ah)
Them guardians they shouldn't let you get past the
gate
Watch out dawg, the watchdog's showin his teeth
(Guess you bit too much shit) they bitin your beat
While I speak from experience, hunger and hurt
And a little bit of hate from niggaz doin me dirt

No, no, no, no, no, no
The three months before the benefits hit
No, no, no, no, no, no
I sat and listened like an intern watchin who applied get
fired
No, no, no, no, no, no
Now I'm sittin in the break room, they gotta make room
No, no, no, no, no, no
No!

I'm back on it, that's why you never disappointed
We give you what we live through for real (for real)
Don't own a crown but I'm royalty
And tryin to see the royalty checks about a half a mil'
Whether off or on the chart, my cuts grips your heart
I just wash it all out with Tide and show love

No, no, no, no, no, no
The three months before the benefits hit
No, no, no, no, no, no
I sat and listened like an intern watchin who applied get
fired
No, no, no, no, no, no
Now I'm sittin in the break room, they gotta make room
No, no, no, no, no, no
No!

Come on, come on, come on over
Come on, come on, come on over
Come on, come on, come on over
No!

I don't give money, I don't support the needy

Schooled in America, taught to be greedy
And everything ought to be, easy
But I never could say goodbye to my friends who get
high
I wonder why, I'm rockin with that guy, it's serious
No!
