[Sryan]

Today there was trouble
I got involved because I was trying to stop my brother
getting involved
My mother, and my cousin were fighting
I got involved because they both need help not just my
cousin

Me and my brother kept calling each other names
I was just playing my i...pad in the car
This morning I ignored the talbots
I told myself "just ignore them Sean"

My brother has a crush on half of Katie's class
I said "Ryan and Shemia sitting in the tree k-i-s-s-i-n-g"
Josh told Ryan, Jasmine has a crush on him
Me and my mammy were angry

[Chorus]

I'm all alone in my room
My mammy comes and shouts at me
I told my mammy and my cousin they both need help
I told my brother not to get involved
Now it is dark
I'm all alone in my room eating chinese
We're not getting on good lately

[Mikky Ekko]

It feels just like it was yesterday
We were in love, why's it falling apart
I've never been one to walk away
But I've had enough and it's breaking my heart

Cause you love me just the way that you should
It's nothing that you do, no it's nothing you say
Yeah baby, I know that you're good
But I don't want a good girl no, not today

[Chorus]

I'm all alone in my room
My mammy comes and shouts at me

I told my mammy and my cousin they both need help
I told my brother not to get involved
Now it is dark
I'm all alone in my room eating chinese
We're not getting on good lately
We're not getting on good lately

I'm all alone in my room
My mammy comes and shouts at me
I told my mammy and my cousin they both need help
I told my brother not to get involved
Now it is dark
I'm all alone in my room eating chinese
We're not getting on good lately

[Sryan]
We're nothing without our nanny
The one and only who brought peace to our family
Lisa asked me "should I ask Gerard to sleepover tomorrow"
And I said "ye sure"

[Chorus]
I'm all alone in my room
My mammy comes and shouts at me
I told my mammy and my cousin they both need help
I told my brother not to get involved
Now it is dark
I'm all alone in my room eating chinese
We're not getting on good lately
We're not getting on good lately

I'm all alone in my room
My mammy comes and shouts at me
I told my mammy and my cousin they both need help
I told my brother not to get involved
Now it is dark
I'm all alone in my room eating chinese
We're not getting on good lately
