[Verse 1]

Just cry  
You don't have to hide it from me  
Rely on me  
Just cry  
Even if you don't know why  
Rely on me  
I need some money just to get some advice  
I am nothing without my mammy  
I am nothing without my brother  
I am nothing without my nanny  
I am nothing without my daddy  
I need to really find a payphone and get some money

[Chorus]

That's what you said, but I don't know  
I'm walking here so all alone  
I wanna hear your voice right now  
I'm looking for it all around  
I really need to find a payphone

[Verse 2]

Just smile  
You don't have to hide it from me  
Come dance with me  
Just smile  
Even if you don't know why  
Come dance with me  
I need some money just to get some advice  
I am nothing without my mammy  
I am nothing without my brother  
I am nothing without my nanny  
I am nothing without my daddy  
I need to really find a payphone and get some money  
now I am in a place that no one wants to be in

[Chorus]

That's what you said, but I don't know  
I'm walking here so all alone  
I wanna hear your voice right now  
I'm looking for it all around

I really need to find a payphone

I know you can't smile those tears away  
I know you can't smile those tears away

I am nothing without my mammy  
I am nothing without my brother  
I am nothing without my nanny  
I am nothing without my daddy  
I need to really find a payphone and get some money

[Chorus]  
That's what you said, but I don't know  
I'm walking here so all alone  
I wanna hear your voice right now  
I'm looking for it all around  
I really need to find a payphone
