Oh (oh), Sryan (Sryan), Sean Bruen (Bruen),
Ryaaaaaaaaaan

Love I made, see the love I made (eh, eh, eh)
I made it small, so I couldn't ever see (eh, eh, eh)

This town is going down now
Even though we're miles from home
We're so close now, gonna make it out
You better come, you better come

So go and just
Please don't say you love me
I'm gonna pay the fee
They're doing all right
I'm giving beats to the people I know
Til we're off and running
Hello...

Counting, yo I am counting to ten (eh, eh, eh)
Let's go, we've got two weeks to go (eh, eh, eh)

This town is going down now
Even though we're miles from home
We're so close now, gonna make it out
You better come, you better come

So go and just
Please don't say you love me
I'm gonna pay the fee
They're doing all right
I'm giving beats to the people I know
Til we're off and running

I swear, you are, not my friend here
I am, here, in this area, which is home
Sryan Bruen, you know I go with him to the saloon
Lights on, faggots, but I gotta watch out for maggets
Please, please don't say
Please come here, drinking big bottles of beer
Say, please is a manner, we get a banner

Party time go's rough and say please

(Oh, oh, oh, oh, go on, go on)
Counting, yo I wanna hear you count

So go.... (I am so unlucky) and just
Please don't say you love me
I'm gonna pay the fee
They're doing..... (Alright) all right
I'm giving beats to the people I know
Til we're off and running
Hello...
