[Intro]

[Verse 1]

Sometimes it's hard to keep believing in what you can't see

That everything happens for a reason even the worst life brings, life brings

If you're reaching for an answer and you don't know what to pray
Just open up the pages, let his word be your strength, your strength

And all things work for the good of those who love God
He holds back nothing that will heal you, not even his own son

[Chorus]

His love is everlasting, his faithfulness unending
Oh, if God is for us who can be against us
So, if you feel weak
Nothing like losing what you love most

Momma said you was slicker than some hair grease
You's a cheater, what's the point of giving wedding rings?

Poor man, you should be ashamed
Neither life nor death could separate us
From the eternal love of our God who saves us
Just hold on to the
Promises, promises
Promises, promises

[Verse 2]

Uh, crowd full of loud fans, hope I don't choke
White girls going ham, they just so stoked, so stocked

They just think I'm kinda dope, guess I'm pure coke
Hope they they love me for my drive, only lord knows, lord knows

And all things work for the good of those who love God

My daughter past couple months ago
Feel like I'm breathing though without a pulse

[Chorus]

His love is everlasting, his faithfulness unending
Oh, if God is for us who can be against us
So, if you feel weak
Nothing like losing what you love most

Momma said you was slicker than some hair grease
You's a cheater, what's the point of giving wedding
rings?
Poor man, you should be ashamed
Neither life nor death could separate us
From the eternal love of our God who saves us
Just hold on to the
Promises, promises
Promises, promises
