[Chorus]

Pursuit of happiness  
Are you looking for something better?  
Do you ever feel emptiness?  
Don't give it away

[Beat Break]

[Chorus]

Pursuit of happiness  
Are you looking for something better?  
Do you ever feel emptiness?  
Don't give it away

[Beat Break]

[Verse 1]

I don't believe what I'm hearing  
You can't impress me by words  
You show me  
Don't think I'm going through changes  
Life is as good as I make it  
I can't sit

[Bridge]

I like those jewels that you gave me  
Only if you could see..... (them)

[Chorus]

Pursuit of happiness  
Are you looking for something better?  
Do you ever feel emptiness?  
Don't give it away

[Beat Break]

[Verse 2]

I was raised in the desert  
By an unknown tribe  
Had no exposure  
Til I was captured

Where the faces are many  
I miss my home

[Bridge]  
I like those jewels that you gave me  
Only if you could see..... (them)

[Chorus]  
Pursuit of happiness  
Are you looking for something better?  
Do you ever feel emptiness?  
Don't give it away

Deep in the city  
Pursuit of happiness  
Do you ever feel emptiness?  
Don't give it away
