Standing outside the fire, you're the one I admire
I'm gonna ad-ad-ad-admire
Standing outside the fire, beside me there is a tyre
I'm gonna get-get-get-get it

Standing outside the fire, I'm gonna go a little higher
I'm gonna do it-it-it-it-it
One hour, maybe tomorrow
I'm gonna do it, I'm gonna do it, I'll do it

I feel hot around this area
And I will go inside my house
I'll see who want's to join me

Standing outside the fire, you're the one I admire
I'm gonna ad-ad-ad-admire
Standing outside the fire, beside me there is a tyre
I'm gonna get it, get it

Standing outside the fire, I'm gonna go a little higher
I'm gonna do it-it-it-it-it
One hour, maybe tomorrow
I'm gonna do it, I'll do it, I'll do it

And the people go pass me
I ignore them going down
They're just unknown

Standing outside the fire, I'll give you one desire
I'm gonna give you the desire, a wish of the magic or
fire
I'll give you one desire, I'll give you one wish, I'll give
you one wish
Standing outside the fire, I'll give you one desire
I'll give you one desire, one desire, one desire, one
desire
Standing outside the fire, I'll give you one desire
I'm gonna give you the desire

I'll stand a little higher
I'll light up a fire

Give you one desire
Pump up the tyre
Make you do these jobs immediately
A special treat for your hard work after

Standing outside the fire, I'm gonna do it, I'll do it, I'll
do it do it do it do it
(Give you one desire, pump up the tyre)
Standing outside the fire, I'm gonna do it, I'll do it, I'll
do it do it do it do it
(Give you one desire, pump up the tyre)
Standing outside the fire, I'm gonna do it, I'll do it, I'll
do it do it do it do it
(Give you one desire, pump up the tyre)

Standing outside the fire, I'm gonna do it, I'll do it, I'll
do it do it do it do it
(Give you one desire, pump up the tyre)
Standing outside the fire, I'm gonna do it, I'll do it, I'll
do it do it do it do it
(Give you one desire, pump up the tyre)
Standing outside the fire, I'm gonna do it, I'll do it, I'll
do it do it do it do it
(Give you one desire, pump up the tyre)
