[Cheryl Cole]

Young lady

Cute baby

You slaved

Road paved

You help

Green kelp

Big coin

Deep mine

Black ops

Pink tops

White bird

You lured

Yeah baby, won't you help us?

You get a lot of payback

Cause you're a

[Chorus]

Trocaire box super model

That's what you become

Now you become the model of a lifetime

You are so lucky

You are a trocaire box super model

How ya'll say it up north? no home

I looked in the mirror this morning bro

You are a trocaire box super model

Let's help the poor african people

They have no electricity because it is so hot there

You are a trocaire box super model

[Cheryl Cole]

It's the time

You've got to climb

Won't you help us?

Go aboard the bus

Really candy

Shaped like landy

You lucky

I'm mucky

I'm sexy and I know it

You gave a little hit

Yeah baby, won't you help us?
You get a lot of payback

[Chorus]

Trocaire box super model
That's what you become
Now you become the model of a lifetime
You are so lucky
You are a trocaire box super model
How ya'll say it up north? no home
I looked in the mirror this morning bro
You are a trocaire box super model
Let's help the poor african people
They have no electricity because it is so hot there
You are a trocaire box super model

[Cheryl Cole]

Love is not an affection for you baby
So don't you go onto the role baby
Baby, won't you stay with me forever and ever and ever
and ever.....

[Chorus]

Trocaire box super model
That's what you become
Now you become the model of a lifetime
You are so lucky
You are a trocaire box super model
How ya'll say it up north? no home
I looked in the mirror this morning bro
You are a trocaire box super model
Let's help the poor african people
They have no electricity because it is so hot there
You are a trocaire box super model

Trocaire box super model
That's what you become
Now you become the model of a lifetime
You are so lucky
You are a trocaire box super model
How ya'll say it up north? no home
I looked in the mirror this morning bro
You are a trocaire box super model
Let's help the poor african people
They have no electricity because it is so hot there
You are a trocaire box super model

[Cheryl Cole]

Love is not an affection for you baby

So don't you go onto the role baby
Baby, won't you stay with me forever and ever and ever
and ever
