[Verse 1: Florence Welch]

Maybe I don't wanna know the reason why  
But lately you don't talk to me  
And baby I can't see me in your eyes

I hold you near but you're so far away  
And it's losing you I can't believe  
To watch you leave and let this feeling die

[Chorus]

The day was going as I planned  
and now I am gonna give my girlfriend a smooch  
You are turning up the love  
and overnight turn up the love even more would ya?  
Now I am feeling sick  
I wanna call my girlfriend to turn up the love  
So will you turn up the love now?

[Beat]

[Verse 2: Florence Welch]

You alone are the living thing that keeps me alive  
And tomorrow if I am here without your love you know I  
can't survive  
Only my love can raise you high above it all

We can take the darkness and make it full of light  
Let your love flow back to me  
How can you leave and let this feeling die

[Chorus]

The day was going as I planned  
and now I am gonna give my girlfriend a smooch  
You are turning up the love  
and overnight turn up the love even more would ya?  
Now I am feeling sick  
I wanna call my girlfriend to turn up the love  
So will you turn up the love now?

[Beat]

[Florence Welch]

This happy room will be a lonely place when you are  
gone

And I won't even have your shoulders for the crying on

No other man's love could be as true, I'm beggin you

So will you turn up the love now?

[Beat]
