I am on my way, Ryan
You will see me in 6 hours
I am coming down the road
You are gonna be grounded
So I come home and

I see you're playing your playstation
And you caused a lot of distruction
You are grounded for a week
You are in big trouble

I see you're playing your playstation
And you caused a lot of distruction
You are grounded for a week
You are in big trouble

You are in big trouble
You are in big trouble
You are in big trouble

I might give you a bigger punishment
You might get a big astonishment
There is my gift for my birthday
Can you buy that please
Oh so I come home and

I see you're playing your playstation
And you caused a lot of distruction
You are grounded for a week
You are in big trouble

I see you're playing your playstation
And you caused a lot of distruction
You are grounded for a week
You are in big trouble

You are in big trouble
You are in big trouble
You are in big trouble

I am on my way, Ryan

You will see me in 6 hours
