Someone was looking at me,  
when I was looking at you  
Well aint it always that way,  
please tell me how can I choose  
Its gotta be you or me or me  
and you and they're in the middle  
Tell me what to do,  
oooh oooh, oooh oooh

On every move that I make  
there lies a golden mistake  
Behind your make believe eyes  
there lies a million sighs  
Its gotta be you or me or me  
and you and they're in the middle  
Tell me what to do, oooh oooh, oooh oooh

Chorus

I can only help myself,  
but when I think of you I'm helpless, so helpless  
I can only help myself,  
but when I think of you I'm helpless, so helpless

I'll tell myself that its true  
but oh well what can I do  
Cause when I'm laying at night,  
I see her eyes come alive  
Its gotta be you or me or me  
and you and they're in the middle  
Tell me what to do, oooh oooh, oooh oooh

But baby it'll be o.k, I am here,  
I am here to stay  
Just kill my troublesome mind,  
and clear my cloudy eye  
Its gotta be you or me or me  
and you and they're in the middle  
Tell me what to do, oooh oooh, oooh oooh

Chorus

I can only help myself,  
but when I think of you I'm helpless, so helpless

I can only help myself,  
but when I think of you I'm helpless, so helpless  
I can only help myself,  
but when I think of you I'm helpless, so helpless  
I can only help myself,  
but when I think of you I'm helpless, so helpless  
I'm helpless, so helpless  
I'm helpless, so helpless
