Feel the life in her bones  
She's in mind, she's in mind  
You could never break her down  
She's in mind, she's in mind  
Feel the way she guides your hand  
She's in mind, she's in mind  
What are the choices that you make  
She's in mind, she's in mind  
Mind  
Mind  
Mind  
Mind  
Feel the life in her bones  
You could never break her down  
Feel the way she guides your hand  
What are the choices that you make  
Feel the life in her bones  
You could never break her down  
Feel the way she guides your hand  
What are the choices that you make  
She's in mind, she's in mind
