Let me take you for a ride,
Were going downtown,
I'm in complete control,
Cause I got you now,

I'm gonna bring the heat,
Speedin' at One-Eighty,
There is no getting away,

You can kiss,
You can touch,
But just don't fall in love,

You can hug,
You can rub,
But just don't want again,

Are you something you've never felt before,
Were goin' so fast and it's getting really hot,
You pull through what I make you do,
Then we ride,
Ride In My Cadillac,
Then we ride,
Ride In My Cadillac,
When we ride,
Ride In My Cadillac,
When we ride,
Ride In My Cadillac,

Beep beep get in,
Were goin' for a spin,
Drivin' on the highway,
Were gonna do it my way,

The speed is getting' faster,
You see me as your master,
Bringin' you back to my place,

You can pull,
You can reach,
But just don't look back,

You can lug,
You can tug,
But just don't get obsessed,

Are you ready for the ride of your life?
It's something you've never felt before,
Were goin' so fast and it's getting really hot,
You pull through what I make you do,
Then we ride,
Ride In My Cadillac,
Then we ride,
Ride In My Cadillac,
When we ride,
Ride In My Cadillac,
When we ride,
Ride In My Cadillac,

Hello,
I'm on the highway right now,
I'm going really fast,
Over 180,
I just want you to know that this is really fun,
I'm going so fast that I can barely breathe,
I got to go now,
Cause your runnin' up my minutes,

Are you ready for the ride of your life?
It's something you've never felt before,
Were goin' so fast and it's getting really hot,
You pull through what I make you do,
Then we ride,
Ride In My Cadillac,
Then we ride,
Ride In My Cadillac,
When we ride,
Ride In My Cadillac,
When we ride,
Ride In My Cadillac,

Are you ready for the ride of your life?
It's something you've never felt before,
Were going so fast and it's getting really hot,
You pull through what I make you do,
Then we ride,
Ride In My Cadillac,
Then we ride,
Ride In My Cadillac,
When we ride,
Ride In My Cadillac,
When we ride,

Ride In My Cadillac,

(Runnin' up my minutes)
