You don't know what it feels like  
Runnin' down my nowhere road  
And you, you don't know what I'd give for you  
'Cause the choice not to tell you I chose

Chorus:

But this is where I live  
In the deep grove of all this nothingness  
We're not as different as you think  
I may be smaller,  
But I guess I've never been so unsure

I hate the way I just can't hate you  
So I'm stuck here lyin' in my grave  
You're breakin hearts  
You're makin' marks upon my skin  
And I finally figured out  
That I just can't win

Repeat Chorus

I hate to hide my face  
I just can't live this way  
I just can't face that I know  
I've gotta learn to dream,  
'Cause now I know I see that

Repeat Chorus

But it's okay,  
I never hoped to win anything more.
