18 years, faced all of our fears  
We took on the world together, I caught all of your  
tears  
You told me back then that our love would never end  
You li-i-i-i-i-i-ied

Hold me like you did before  
Console me like we never went to war  
You threw me and my heart into the floor  
I di-i-i-i-i-i-ied

(Now you're) dead to me, you're dead to me  
You're dead to me, you're dead to me  
(You're) dead to me, you're dead to me  
You're dead to me, you're dead to me

(You're) dead to me, you're dead to me  
You're dead to me, you're dead to me  
(You're) dead to me, you're dead to me  
You're dead to me, you're dead to me

Look at how you've turned, yeah, you watched me burn  
Just through me in the fire and you weren't concerned  
You told me it was love, I would always be enough  
You li-i-i-i-i-i-ied

Maybe one day you'll come around  
But baby, I'll be nowhere to be found  
Betrayed me, but baby in my eyes  
You've di-i-i-i-i-ied

Dead to me, you're dead to me  
You're dead to me, you're dead to me  
(You're) dead to me, you're dead to me  
You're dead to me, you're dead to me

(You're) dead to me, you're dead to me  
You're dead to me, you're dead to me  
(You're) dead to me, you're dead to me  
You're dead to me, you're dead to me

(Now you're)

(Dead to me, dead to me, dead to me)

Dead to me, you're dead to me  
You're dead to me, you're dead to me  
(You're) dead to me, you're dead to me  
You're dead to me, you're dead to me

(You're) dead to me, you're dead to me  
You're dead to me, you're dead to me  
(You're) dead to me, you're dead to me  
You're dead to me, you're dead to me

(You're) dead to me, you're dead to me  
You're dead to me, you're dead to me  
(You're) dead to me, you're dead to me  
You're dead to me, you're dead to me

(You're) dead to me, you're dead to me  
You're dead to me, you're dead to me  
(You're) dead to me, you're dead to me  
You're dead to me, you're dead to me

You're dead to me
