Come baby listen there's some things you wanna know
But look at about this loveless I know where was gonna
go
Until you let a proof now that you can try to show me
Other ways to go about it I already know

This is a relationship in which we make sacrifices
Tip it, cut it, split it up and leave the body paralyzed
Unable to be clear that you listened that you realized
That's just what you got, a deal, take the wedge and
pay a price

Hey!
What do you want me to say?
Tell me, are you ready?
Give you everything you wanna
Give me everything you need
I got a soul for sale, a soul for sale

Oh!
What do you want me to be?
Show me 'cause I want it
Give you everything you wanna
Give me everything you need
I Got a soul for sale, a soul for sale

Forty days and forty nights you worked to seduce me
I listen to the lyrics and the song 'cause it amuse me
And I sing along and I last long decided to reduce me
To a puppet on the shelf to scream: "I'm puppet lessa,
choose me!"

So come on baby, come and love me like a kamikaze
Well good night on flumsy glab the light and lub the
Papparazzi
Go and melt my knees with flames, the flames will all
renew the symptoms
Sum it up to love 'cause I'm ready for the game

Hey!

What do you want me to say?

Tell me, are you ready?
Give you everything you want
Give me everything you need
I got a soul for sale, a soul for sale

Oh!
What do you want me to be?
Show me 'cause I want it
Give you everything you wanna
Give me everything you need
I got a soul for sale, a soul for sale

Oh!

Give me everything, give me everything

Sign in the line
Make a deal with the devil
Make a deal with the devil in blood

Sign in the line
Make a deal with the devil
Make a deal with the devil in blood

I know your love is bad but I want it all.

Hey!
What do you want me to say?
Tell me, are you ready?
Give you everything you wanna
Give me everything you need
I got a soul for sale, a soul for sale

Oh!
