How can I ever make you see what's  
Said I do to you, you do to me, but,  
Nobody seems to see a problem.  
Am I the only one who isn't like them?  
You judge me because I am not like you.  
Isn't that the thing we're not supposed to do?

[Pre-Chorus:]  
Bring me fame,  
But you will soon disprove me.  
Cease the hate  
You haven't, cannot see

[Chorus:]  
You look at me and see a little sugar sugar white  
Is that enough to satiate your fucking appetite?  
Is it so wrong to show a little reciprocity?  
'Cause I want to treat you mother fuckers how you're  
treating me.  
Don't point a finger, because you're just a fucking  
hypocrite.  
You've played the cards so long and now I've had  
enough of it.

Matter of fact,  
Retract to my pact  
To hatch my flat back  
Can't let you attack me.

Am I the reason you ashamed me?  
Is that for all the wrong you blame me?  
I've never, ever condescended.  
So come on, brother, now we got to end it.

[Pre-Chorus:]  
Bring me fame,  
But you will soon disprove me.  
Cease the hate  
You haven't, cannot see

[Chorus:]

You look at me and see a little sugar sugar white  
Is that enough to satiate your fucking appetite?  
Is it so wrong to show a little reciprocity?  
'Cause I want to treat you mother fuckers how you're  
treating me.  
Don't point a finger, because you're just a fucking  
hypocrite.  
You've played the cards so long and now I've had  
enough of it.

Matter of fact,  
Retract to my pact  
To hatch my flat back  
Can't let you attack me

Ahhhhhhhhh!

I only speak the truth [x8]

[Chorus:]  
You look at me and see a little sugar sugar white  
Is that enough to satiate your fucking appetite?  
Is it so wrong to show a little reciprocity?  
'Cause I want to treat you mother fuckers how you're  
treating me.  
Don't point a finger, because you're just a fucking  
hypocrite.  
You've played the cards so long and now I've had
