Stand up, everybody look alive
Say come on, come on, come on
We're gonna get it now
Hands up if you're ready for a fight
Say come on, come on, come on, gonna win now
I don't need you to believe in me
I know how to change my destiny
Sit down, about to rewrite our history
Rewrite our history, rewrite our history

We can change our whole world
Gonna take it over, gonna start it over
Don't you know we could be
A new beginning, fight until we're winning
Tell me that you're in it
Don't you wanna be, a superhero
A superhero, superhero
Don't you wanna be, a superhero
A superhero, superhero
Anybody could be
Anybody could be
Anybody could be

Rip it off, show the symbol on your chest
Say come on and show the world who you really are
It's not enough to be better than the rest
Gotta take it to the top and make yourself a superstar

You don't need them to believe in you
Get your mission on lock and see it through
You've got all the power you need in you
Power you need in you, power you need in you

We can change our whole world
Gonna take it over, gonna start it over
Don't you know that we could be
A new beginning, fight until we're winning
tell me that you're in it
Don't you wanna be, a superhero
A superhero, superhero
Don't you wanna be, a superhero
A superhero, superhero

Anybody could be

We can change our whole world
Gonna take it over, gonna start it over
Don't you know that we could be
A new beginning, fight until we're winning
Tell me that you're in it
Don't you wanna be, a superhero
A superhero, superhero
Don't you wanna be, a superhero
A superhero, superhero
Anybody could be
A hero
