18 years
Faced all of our fears
We took all the world together
Like I owned your tears

You told me back there
That our love would never end
You lied

Hold me, like you did before
Console me, like we never went to war
You throw me and my heart into the floor
I've died

Now you're...

Dead to me
you're dead to me
you're dead to me
you're dead to me
you're...

Dead to me
you're dead to me
you're dead to me
you're dead to me
(Now you're...)

Dead to me
you're dead to me
you're dead to me
you're dead to me
you're...

Dead to me
you're dead to me
you're dead to me

you're dead to me

Look at how you've turned
Yeah, you watched me burn

Just threw me in the fire
And you wanted it consumed

You told me it was love
I would always be in love
You lied

Maybe one day you'll come around
But baby I'll be nowhere to be found
Betrayed me, now baby in my eyes you've died

Dead to me
you're dead to me
you're dead to me
you're dead to me
you're...

Dead to me
you're dead to me
you're dead to me
you're dead to me
(Now you're...)

Dead to me
you're dead to me
you're dead to me
you're dead to me
you're...

Dead to me
you're dead to me
you're dead to me
you're dead to me
