i want to tell you a story about a little cutey
she's ass-slappin' pretty and fingers wanna let her lick
me
stick the thick of my pussy From across the street
she looked good enough to eat... me! kitty!
your flesh is nice
your flesh is nice
let me take a bite
your flesh is so nice
oh, i take off my belt
oh, i whip the staircase (whip the staircase)
kill all the men everything's dead to them
you're the only one i follow come on and let me give
you that "o"

your flesh is nice
i wanna take you twice
your flesh is nice
ooo your flesh is nice
your flesh is nice
wanna take a bite
your flesh is so nice
your flesh is so
your flesh is so
your flesh is so
your flesh is so nice (repeat)
