I don't know why,
You bring my sense alive,
You know you look so foxy wise
You turn my head around

You know the talk's around town
You do a funky rumba
You make an old man stop
You make a young man wonder;

Come on and love me
Come on and love me
Until I'm helpless
Come on and love me
Until I'm helpless

Makin' love like a skin cat crawlin' across the highway

I don't know why
You bring my sense alive
Come on and love me
Until I'm helpless
Helpless,
Helpless,
Makin' love like a skin cat crawlin' 'cross the highway
