"Phantasmagoria In Two"

If a fiddler played you a song, my love
And if I gave you a wheel
Would you spin for my heart and loneliness
Would you spin for my love

If I gave up all of my pride for you
And only loved you for now
Would you hide my fears and never say
"Tomorrow I must go"

(chorus) Everywhere there's rain my love
Everywhere there's fear

If you tell me a lie I'll cry for you
Tell me of sin and I'll laugh
If you tell me of all the pain you've had
I'll never smile again

(chorus)

I can plainly see that our parts have changed
Our sands are shifting around
Need I beg to you for one more day
To find our lonely love

(chorus)
