Wanda Lu could you ever be true
Wanda Lu could you ever be true
You're the only Mexican girl in town I know honey
I know good and well we're gonna fit it like a glove now,
I got a hand full of Spanish songs and wine,
We're gonna get it in the back seat honey
Wanna make you mine

Wanda Lu could you ever be true
Wanda Lu could you ever be true
Well I've been watching you all week honey
Walking up and down the hall
I got one to think about honey
And I know it ain't wrong
Whoa won't cha' come here while I watch you, Wanda
Lu
Just let me get next to ya darlin'
Wanna try and tame you
