"The Other Woman"

The other woman has time to manicure her nails,
The other woman is perfect where her rival fails.
And she's never seen with pin curls in her hair -
anywhere.
The other woman enchants her clothes with French
perfume.
The other woman keeps fresh cut flowers in each room.
Many clever toys that's scattered everywhere...
And when her old man comes to call,
He'll find her waiting like a lonesome queen.
'cause when she's by his side
it's such a change from her old routine.
But...
The other woman will always cry herself to sleep.
The other woman will never have his love to keep.
And, as years go by...
The other woman will spend her real life alone
