God money, I'll do anything for you God money, just tell me what you want me to God money, nail me up against the wall God money, don't want everything, he wants it all

No, you can't take it No, you can't take it No, you can't take that away from me

No, you can't take it No, you can't take it No, you can't take that away from me

Head like a hole Black as your soul I'd rather die than give you control

Head like a hole Black as your soul I'd rather die than give you control

Bow down before the one you serve You're going to get what you deserve Bow down before the one you serve You're going to get what you deserve

God money's not looking for the cure
God money's not concerned about the sick amongst
the pure
God money, let's go dancing on the backs of the
bruised
God money's not one to choose

No, you can't take it No, you can't take it No, you can't take that away from me

No, you can't take it No, you can't take it No, you can't take that away from me Head like a hole Black as your soul I'd rather die than give you control

Head like a hole Black as your soul I'd rather die than give you control
