Time, time, time, see what's become of me  
While I looked around for my possibilities  
I was so hard to please

But look around  
Leaves are brown  
And the sky is a hazy shade of winter

Hear the salvation army band  
Down by the riverside's, it's bound to be a better ride  
Than what you've got planned, carry your cup in your  
hand

And look around  
Leaves are brown now  
And the sky is a hazy shade of winter

Oh hang on to your hopes, my friend  
That's an easy thing to say but if your hopes should  
pass away  
Simply pretend that you can build them again

Look around  
The grass is high, the fields are ripe  
It's the springtime of my life

Oh seasons change with the scenery  
Weaving time in a tapestry  
Won't you stop and remember me at any convenient  
time?

Funny how my memory skips  
While looking over manuscripts  
Of unpublished rhyme, drinking my vodka and lime

I look around  
Leaves are brown now  
And the sky is a hazy shade of winter

Look around  
Leaves are brown  
There's a patch of snow on the ground

Look around  
Leaves are brown  
There's a patch of snow on the ground

Look around  
Leaves are brown  
There's a patch of snow on the ground
