My daddy was the family bassman
My mamma was an engineer
And I was born one dark gray morning
With music coming in my ears
In my ears

They call me Baby Driver
And once upon a pair of wheels
I hit the road and I'm gone ah
What's my number?

I wonder how your engines feel
Ba ba ba
Scoot down the road
What's my number?
I wonder how your engines feel

My daddy was a prominent frogman
My mamma's in the Naval reserve
When I was young I carried a gun
But I never got the chance to serve
I did not serve

They call me Baby Driver
And once upon a pair of wheels
I hit the road and I'm gone ah
What's my number?

I wonder how your engines feel
Ba ba ba
Scoot down the road
What's my number?
I wonder how your engines feel

My daddy got a big promotion
My mama got a raise in pay
There's no one at home, we're all alone
Oh come into my room and play
Yes we can play

I'm not talking about your pigtailed
But I was talking 'bout your sex appeal

I hit the road and I'm gone ah
What's my number?

I wonder how your engine
Ba ba ba
Scoot down the road
What's my number?
I wonder how your engines feel
