A winter's day  
In a deep and dark December  
I am alone  
Gazing from my window  
To the streets below  
On a freshly fallen silent shroud of snow

I am a rock  
I am an island

I've built walls  
A fortress steep and mighty  
That none may penetrate  
I have no need of friendship  
Friendship causes pain  
It's laughter and it's loving I disdain

I am a rock  
I am an island

Don't talk of love  
Well I've heard the word before  
It's sleeping in my memory  
I won't disturb the slumber  
Of feelings that have died  
If I never loved, I never would have cried

I am a rock  
I am an island

I have my books  
And my poetry to protect me  
I am shielded in my armor  
Hiding in my room  
Safe within my womb  
I touch no one, and no one touches me

I am a rock  
I am an island

And a rock feels no pain  
And an island never cries
