When I think back on all the crap I've learned in high school

It's a wonder I can think at all

Though my lack of education hasn't hurt me much

I can read the writings on the walls

Kodachrome, they give us those nice bright colors

They give us the greens of summers

Makes you think all the world's a sunny day, oh yeah

I got a Nikon camera, I love to take a photograph

So mama don't take my Kodachrome away

If you took all the girls I knew when I was single

Brought 'em all together for one night

I know they'd never match my sweet imagination

Everything looks better in black and white

Kodachrome, they give us those nice bright colors

They give us the greens of summers

Makes you think all the world's a sunny day, oh yeah

I got a Nikon camera, I love to take a photograph

So mama don't take my Kodachrome away

Mama don't take my Kodachrome away

Mama don't take my Kodachrome away

Mama don't take my Kodachrome away

Mama don't take my Kodachrome

Mama don't take my Kodachrome

Mama don't take my Kodachrome away

Mama don't take my Kodachrome

And leave your boy so far from home

Mama don't take my Kodachrome away

Mama don't take my Kodachrome

Whew whew, mama don't take my Kodachrome away
