When I think back  
On all the crap I learned in high school  
Its a wonder  
I can think at all  
And though my lack of edu---cation  
Hasnt hurt me none  
I can read the writing on the wall

Kodachrome  
They give us those nice bright colors  
They give us the greens of summers  
Makes you think all the worlds a sunny day, oh yeah  
I got a nikon camera  
I love to take a photograph  
So mama dont take my kodachrome away

If you took all the girls I knew  
When I was single  
And brought them all together for one night  
I know theyd never match  
My sweet imagination  
And everything looks worse in black and white

Kodachrome  
They give us those nice bright colors  
They give us the greens of summers  
Makes you think all the worlds a sunny day, oh yeah  
I got a nikon camera  
I love to take a photograph  
So mama dont take my kodachrome away

Chorus:  
(oh) maybellene, why cant you be true, whoah  
maybellene, why cant you be true  
Youre not startin right, doin those things you used to  
do

As I was motivatin over the hill, I saw maybellene in a  
coup de ville,  
A cadillac a-rollin on the open road, yeah, but nothin

out race my v8 ford,  
The cadillac doin bout 95, shes bumper to bumper,  
rollin side by side.

Chorus

He cooled down, the motor cooled down  
Thats when Id heard that highway sound  
I kept back sittin like a ton of lead  
Got a hundred and ten a half mile ahead  
Cadillac lookin like its standin still  
And I caught maybellene at the top of the hill

Chorus

(instrumental break)

Chorus

Youre not startin right, doin those things you used to  
do  
Youre not startin right, doin those things you used to  
do
