Tom, get your plane right on time
I know your part will go fine
Fly down to Mexico

Daa, duu, daa, duu, daa, duu, daa
And here I am
The only living boy in New York

I get the news
I need on the weather report
Ohh, I can gather all the news
I need on the weather report
Hey, I've got nothing to do today
But smile

Daa, duu, daa, duu, daa, duu, daa
And here I am
The only living boy in New York

Half of the time we're gone
But we don't know where
We don't know where

Ahh

Half of the time we're gone
But we don't know where
We don't know where

Tom, get your plane right on time
I know you've been eager to fly now
Hey, let your honesty shine, shine, shine, now

Daa, duu, daa, duu, daa, duu, daa
Like it shines on me
The only living boy in New York
The only living boy in New York

Ahh
