Wake up little susie, wake up, wake up little susie, wake up

We both fell sound asleep, wake up little susie and weep

The movies over, it's four oclock and were in trouble deep

Chorus:

Wake up little susie, wake up little susie

Well, whatre we gonna tell your mama, whatre we gonna tell your papa

Whatre gonna tell our friends when they say ooh la la

Wake up little susie, wake up little susie

Well, I told your mama that you'd be in by ten

Well, susie baby, looks like we goofed again

Wake up little susie, wake up little susie, we gotta go home

Wake up little susie, wake up, wake up little susie, wake up

The movie wasn't so hot, it didn't have much of a plot

We fell asleep, our goose is cooked, our reputation is shot

Chorus

Wake up little susie
